

AT THE BIG BANKRUPT SALE

The crowd increases as the sale is more thoroughly advertised. People are coming from all over buying their fall and winter goods while they can secure them from 1-3 to 1-2 the regular price. Every town bring crowds of session buyers. The large force of sales people are doing all within their power to wait on the crowd. Clerks will have their dinner brought to the store. The company pays the clerk for over time. Thousands of dollars worth of new goods arriving every day. The dress goods department where they are selling sales and new and dress goods at from 1-3 to 1-2 the regular price, is also crowded, but the millinery department at this time seems to be taking the lead. We have novelties up to bone cases and the Jackson at the same reduction. We have sold more trunks and suitcases than ever before in the same length of time. This year we've them.
